MONTHLY MEMO FOR COUNSELORS

August 2018

From the Executive Director

Dear Counselors,

Today, three of my children celebrated the first day of school! Starting school is an emotion filled time—there is trepidation as well as excitement. Like applying to college, as my best friend put it the other night, fear comes before students can brave it.

MyCoalition Student Workshops

This fall, we wanted to provide resources for you to introduce MyCoalition to your students. One presentation offers [a 20-minute introduction and account creation session](#). Another provides [an overview of all features](#), including the Locker and Collaboration Space. These workshops are great for students of all ages to get started with MyCoalition.

Also, please encourage your students to attend our Student Webinars this fall. We will offer webinars at 7:30 PM ET on Tuesday, September 18 and Thursday, October 18. Students don't need to register to attend, they can simply log on using the links on this [page](#).

Last Call: Counselor Fall Kick-Off Webinar

We invite you to join us for a webinar to learn about MyCoalition, including the Profile, Locker, Collaboration Space, and Application components. This presentation will offer a live demonstration from the student perspective and also offer ample time for questions. Please join us on Thursday, August 30 at 4:00 PM ET. Register through this [link](#).

Student Support

This month we are helping seniors think about [researching colleges](#) as they decide [where](#) and [when](#) they should apply to college. We are also sharing some information about the [ACT and SAT](#).

I hope that this helps build excitement and ease trepidation for a brave start to the year for you and your students!

Most Sincerely,

Annie Reznik
Executive Director, Coalition for College
