## MONTHLY MEMO FOR COUNSELORS

November 2018

*From the Executive Director*

Good morning, colleagues!

As you shepherd your students through the end of the semester and the premature holiday music begins, we'd like to share some resources to support you during this important time of year.

### Top Five Counselor Questions

I thought it would be helpful to share [answers to the top questions that counselors raise](#) with the MyCoalition HelpDesk. I hope that this format makes it easy for you to quickly access the information most relevant for helping students meet deadlines.

### Naviance and the Coalition

Several counselors suggested that it would be helpful for me to provide information to help clarify the Coalition document submission process for counselors in the 15,000 high schools that use Naviance. With the help of some great friends, I created a [quick guide for your reference](#). Please note that if your school uses Naviance, there is nothing that your students need to do within MyCoalition for official documents to be transmitted.

### Messages for Students

This month we are helping seniors think about [revising essays](#) and [preparing for interviews](#). We are also sharing directions for [making connections in MyCoalition](#).

As we prepare to celebrate Thanksgiving later this month, please know that you have our gratitude. Thank you for believing in your students' limitless potential. We are very grateful that your students have your support.

Most Sincerely,

Annie Reznik  
Executive Director, Coalition for College
